

Vincent Gasatan

A motivated self-starter, work very well either on my own or with others. A very rapid study able to grasp new concepts with limited supervision and training, continually seek new opportunities. Experienced and dedicated fast food worker with over 4 years of experience in the industry. Skilled in food preparation, order taking, and customer service. Known for going above and beyond to ensure customer satisfaction, including handling difficult situations with tact and diplomacy. Demonstrated ability to work in a fast-paced environment while maintaining a positive attitude and attention to detail. Committed to maintaining high standards of cleanliness and safety in the workplace. Willing to take on additional responsibilities and work extra hours as needed to ensure the success of the team.
